

Hourly and Drop-in Child Care

PLEASE - We need your help. We encourage all of our patients to make child care arrangements when coming for an office visit. This will help us to:

- Decrease the chance of exposing our expectant moms to communicable diseases.
- Allow you to spend optimal, uninterrupted time with your doctor or provider.
- Reduce the overcrowding in our waiting rooms.
- Decrease the noise level and confusion in our clinic.

If your child/children are old enough to comprehend, and would like to hear the baby's heart beat, please prearrange this visit with your physician.

If child care is a problem for you, there are several hourly and drop-in locations available in this area, including: The Children's Club (four locations) for 6 weeks to 10 year old children.
